| 8:00 am - 9:00 am   | <p><b>Precision Cardiovascular Medicine</b><br/><i>Chair: Renato C. Ong, MD</i><br/><i>Co-Chair: April Grace Dion-Berboso, MD</i></p> <p><b>Genes to Heartbeats: Precision Cardiovascular Medicine 101</b></p> <p><b>Basic Concepts of Genetics and Genomics</b><br/><i>Speaker: Ebner Bon G. Maceda, MD</i></p>                                  |        | <p><b>National Heart Failure Network</b><br/><i>Chair: Erlyn C. Demerre, MD</i><br/><i>Co-chair: Orlando R. Bugarin, MD</i></p> <p><b>UNRAVELING THE 5 DOMAINS OF THE NATIONAL HEART FAILURE NETWORK</b></p> <p><b>Heart Failure Journey (Transitional Care: Inpatient to Outpatient GDMT for HFrEF)</b><br/><i>Speaker: Felix Eduardo R. Punzalan, MD</i></p>    | <p><b>CARDIOVASCULAR NURSING</b><br/><i>Chair: Janine L. Comendador, RN, DDM</i></p> <p><b>Empowering Nurses as Frontliners in Cardiovascular Risk Reduction</b><br/><i>Speaker: Marietta A. Velasco, RN, MAN, MBAH</i></p> <p><b>Promoting Heart Health in Vulnerable Populations</b><br/><i>Speaker: Laurence Lloyd B. Parial, PhD, RN</i></p> <p><b>Policy Advocacy and Leadership for Cardiovascular Promotion</b><br/><i>Speaker: Frances Prescilla L. Cuevas, RN, MAN</i></p> |         | <p><b>COUNCIL ON CPR</b><br/>Advanced Resuscitation Course<br/>(Pre-registered Participants)</p> <p><i>Chair: Don Robespierre C. Reyes, MD</i><br/><i>Co-chair: Alexander D. Reyes, MD</i><br/><i>Moderators:</i><br/><i>Jason S. Santos, MD</i><br/><i>Francis N. Lavapie, MD</i><br/><i>Ramayana D. Garcia, MD</i><br/><i>Jeannica Kriselle G. Lerios-Dela Pena, MD</i></p> <p><b>Opening Rites</b></p> |
| 9:00 am - 10:00 am  | <p><b>Genomics in Practice</b><br/><i>Speaker: Eva Maria Cutiongco-Dela Paz, MD</i></p> <p><b>The Role of Precision Medicine in Cardiovascular Disease</b><br/><i>Speaker: Andrew Paul Landstrom, MD</i></p> <p><b>State-of-the-Art Genetic Testing for Heritable Cardiovascular Diseases</b><br/><i>Speaker: Ellen S. Regalado, PhD, CGC</i></p> |        | <p><b>Unveiling the Insights Behind the Numbers and Trends of the Phil NFHN Survey: Why Understanding the Landscape is the First Step to Change?</b><br/><i>Speaker: Jonathan James G. Bernardo, MD</i></p> <p><b>The Game Plan: Rethinking Heart Failure Management</b><br/><i>Speaker: Rochelle Regina T. Cruz, MD</i></p>                                      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |         | <p><b>In the Midst of Mayhem: Taming Refractory Ventricular Arrhythmias</b><br/><i>Speaker: Raymond D. Bayaua, MD</i><br/><i>Workshop</i></p>                                                                                                                                                                                                                                                             |
| 10:00 am - 11:00 am | <p><b>COFFEE BREAK</b></p> <p><b>Precision Medicine in Channelopathies: CASE DISCUSSION</b><br/><i>Presenter: Kristine Coup M. Macapagal, MD</i></p> <p><i>Reactors:</i><br/><i>Andrew Paul Landstrom, MD</i><br/><i>Luigi Pierre S. Segundo, MD</i></p>                                                                                          |        | <p><b>It Takes a Village: The Role of a Multidisciplinary Team (DOH Guidelines, Philhealth coverage, etc.)</b><br/><i>Panelists:</i><br/><i>Ruth Divine D. Agustin, MD (DOH)</i><br/><i>Melanie C. Santillan, MD (PhilHealth)</i></p> <p><b>The Future of Heart Failure Treatment: Innovations &amp; Hope</b><br/><i>Speaker: Glenn Rose B. Advincula, MD</i></p> | <p><b>ADVOCACY HOUR</b><br/><i>Chair: Avenilo L. Aventura Jr., MD</i><br/><i>Co-chair: Lourdes Ella G. Santos, MD</i></p> <p><b>From a Programmatic to a Policy Analysis</b><br/><i>Panelists:</i><br/><i>Ruth Divine D. Agustin, MD (DOH)</i><br/><i>Carolyn Narvacan-Montano, MD (PASOO)</i><br/><i>Atty. Mikhail Laurence Millan (ImagineLaw)</i><br/><i>Ms. Cherry Pie Picache (Actor)</i></p>                                                                                  |         | <p><b>Definitely not the Last Breath: Airway Management in the Immediate Post Resuscitation Period</b><br/><i>Speaker: Ma. Paz B. Mateo, MD</i></p>                                                                                                                                                                                                                                                       |
| 11:00 am - 12:00 nn | <p><b>Precision Medicine in Valvular Heart Disease: CASE DISCUSSION</b><br/><i>Presenter: Tracy Grace Marie A. Go, MD</i></p> <p><i>Reactors:</i><br/><i>Eva Maria Cutiongco-Dela Paz, MD</i><br/><i>Maria Johanna J. Villanueva, MD</i></p> <p><b>OPEN FORUM</b></p>                                                                             |        | <p><b>Closing Message: Turning Insights into Action</b></p>                                                                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |         | <p><b>Workshop</b></p> <p><b>BREAK</b></p> <p><b>The Uncalm after the Storm: Deliverance from Post-cardiac Arrest Syndrome Fathoming the Phantom of PCAS (General Principles of Managing PCAS)</b><br/><i>Speaker: Clifford M. Curameng, MD</i></p> <p><b>Reboosting the Resuscitated Heart</b><br/><i>Speaker: Jude Erric L. Cinco, MD</i></p> <p><b>Workshop</b></p>                                    |
| 12:00 nn - 12:30 pm |                                                                                                                                                                                                                                                                                                                                                   |        | <p><b>PASCUAL PHARMA</b><br/>ACE-ing Hypertension, Controlling the Pressure Before the Heart Fails</p> <p><i>Speakers:</i><br/><i>Erlyn C.
